

## Year 1 Home-Learning Term 4

<p><b>Challenge 1</b></p> <p><b>Geography-</b></p> <p>You have been thinking about hot and cold climates. Can you draw a picture of a hot or cold climate. Think about which features you will need to include as well as which plants and animals might live there.</p> 	<p><b>Challenge 2</b></p> <p><b>History-</b></p> <p>What facts do you know about Scott of the Antarctic? Can you write 3 facts about him?</p> 
<p><b>Challenge 3</b></p> <p><b>Maths-</b></p>  <p>Stand at a window in your home and look outside. What shapes can you see? What is the largest shape? Which is smallest? Keep a list of all the shapes you see? Which did you see most of?</p>	<p><b>Challenge 4</b></p> <p><b>Science</b></p> <p>Which animals live wild in the UK. Can you pick one and think about what this animal might eat and drink. Where does it live? Have you ever seen one?</p> 
<p><b>Challenge 5</b></p> <p><b>Computing</b></p> <p>Can you design your own maze. You might make this out of lego, paper or draw it. You might even have a different creative idea.</p> 	<p><b>Challenge 6</b></p> <p><b>Dance</b></p> <p>Your dance this term will be linked to the weather. Could you think of some different dance moves which might represent different weathers? What might you do with your body to show that the sun is shining or the thunder in rumbling?</p>
