

Final Outcome: We are working towards playing a whole class football tournament.

**Component 6** I will play a tournament to practice my skills.

**What we will know after this sequence:**

- How to work as a team
- What makes a good team player.

**Vocabulary:**

Team, attack, defence, goal keeper, tactics, tournament.

**SEN:** More space, support with group work, opportunities to join in given by CT.

**Component 4:** I will learn how to defend in a game of football.

**What we will know after this sequence:**

- How we can use defence tactics to stop a team scoring.

**Vocabulary:**

Defence, tackle, tactics, team work.

**How will this feed into my next learning:**

I can begin to play small sided games

**SEN:** Less space, support with group work, adapt rules of games to suit needs.

**Component 5:** Participate in team games using attacking and defending tactics.

**What we will know after this sequence:**

- How to work as a team
- How to communicate when playing football.

**Vocabulary:**

Communication, teamwork, pass, accuracy, dribble, goal.

**How will this feed into my next learning:**

I will play a tournament to practice my skills.

**SEN:** More space, support with group work, rules of game adapted.

**Component 3:** I will learn how to pass a football.

**What we will know after this sequence:**

- How to pass accurately.

**Vocabulary:**

Accuracy, pass, target, dribbling, speed, direction, change, control.

**How will this feed into my next learning:**

I will learn how to defend in a game of football.

**SEN:** Less space, support with group work, rules of games adapted to suit needs.

**Component 2:** I will develop my dribbling and stopping skills.

**What we will know after this sequence:**

- How to travel with speed when dribbling a football
- How to change direction when dribbling.

**Vocabulary:**

Dribbling, speed, direction, change, control.

**How will this feed into my next learning:**

I will learn how to pass a football.

**SEN:** Less space, support with group work.

**Component 1:** Football awareness – basic movements, coordination.

**We should know:**

- That football is a sport played with our feet.
- We are not allowed to use our hands to move the ball.

**What we will know after this sequence:**

- How to dribble with a football
- The importance of control
- How to stop a football

**Vocabulary:**

ball, stop, dribble, control.

**How will this feed into my next learning:**

I will develop my dribbling and stopping skills.

**SEN:** Less space, support with group work, visuals to aid drills.
