

Summer Learning Seal Class

VALLEY INVICTA
PRIMARY SCHOOL AT
KINGS HILL

Dear Parents and Carers,

I am really looking forward to our exciting learning journey together in Seal class after a lovely summer break.

In order to help you get off to a flying start in September, please could

you complete the following tasks over the holiday.

See you on Weds 5th September.

Have fun and take care,

Mrs Menawy

Introducing Seals

First, could you research the gorgeous animal behind our class name 'Seals'.

Please design and make something that represents what you have found out about seals. Make it as creative as you can!

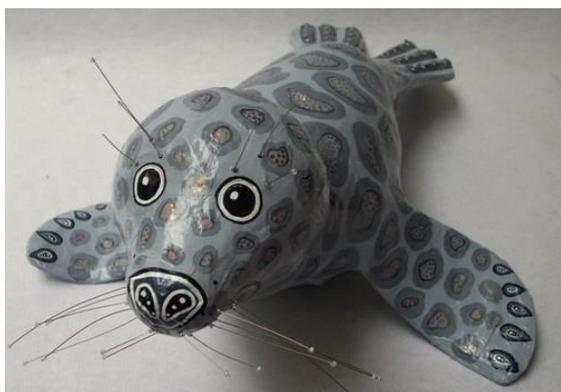

You could make:

- A model in 2D or 3D
- A fact sheet
- A life cycle diagram
- An information poster
- Write an acrostic poem using the letters SEAL

You could research:

- ✓ Where seals live
- ✓ What is the difference between seals and sea lions?
- ✓ What do seals eat?
- ✓ How long do seals live?

Super
Exciting
Always trying hard
Loyal!

To help your child make a flying start to Year 3 please help them to:

✓ READ 4 x week

Here is a reminder chart to help you:

Wee k	✓ I hav e Rea d out lou d	Rear d

2		
3		
4		
5		
6		

✓ **Practise times tables**

Try using the following websites:

<https://www.oxfordowl.co.uk/for-home/advice-for-parents/help-with-times-tables/>

<https://www.timestables.co.uk/>

<https://trockstars.com/>

✓ **Learn common exception word spellings**

Write out your own exciting sentences using words that include:

- **Question words** (e.g. when, what, where, whenever, will, were, whose).
- **Adverbs** that describe a verb (e.g. quietly, silently, cautiously, slowly, nervously).
- **Learning 10 spellings of your choice that are really adventurous** (e.g. impossible, choice, pharaoh, incredulous).

✓ **Make up a play, story, imaginary creature, undiscovered dinosaur...**

Describe it to your friends and family!!!

Can you add to it over time, making it even more spectacular?

Have a wonderful holiday.
