

Newsletter - Volume 7

This is the last PTA newsletter for the school year and what better way to end with a total fundraising amount.....

Money raised through the organised PTA events – **£4,600.94**

Money raised through cake/ice lolly sales (*which goes back directly into each year groups classrooms*) - **£1,548.70**

For this academic year we have raised a whopping **£6,149.64**!!!! What an amazing amount of money for a school with just over 170 children.

The PTA would like to say a **MASSIVE** thank you to all the parents/guardians for supporting the events and spending your hard-earned money. Thank you to all the PTA year reps, without your support we wouldn't get the volunteers to put these events together

Thank you to the teachers for your continued support, especially **Mrs Guthrie, Mrs Covey and Mrs Gidley!**

A huge thank you to everyone that has helped with the PTA events in any way, whether that was helping behind the scenes or helping on the events.... **we really do appreciate each and every one of you!**

Just a few more thank you's.....

We raised just over **£891** from the Summer BBQ. Thank you to everyone that stayed after sports day - we hope you had fun at the BBQ.

We would like to say a special thank you again to William Rose Butchers for donating the meat and James Millsom for being the BBQ king and cooking it all!!

A lovely family kindly donated money to pay for all the buns and rolls – thank you!!!

Another lovely family donated money to pay for the hook a duck game – thank you!!!
